

Southwest Allen County Schools
2019 Application to Test for the ALPHA Program for
SACS Residents Not Enrolled in a SACS School

I am requesting that my child be considered for potential placement in the Southwest Allen County High Ability ALPHA Program. I understand if my student qualifies with a score in the Very Superior range, s/he would attend the Elementary Self-Contained High Ability ALPHA Program at Aboite Elementary under the General Intellectual domain. I understand that if my student qualifies with a score in the Superior range in a domain (Reading, Language Arts, or Math) s/he would qualify for High Ability Neighborhood ALPHA services in that specific domain in their neighborhood school through differentiation in the classroom. I understand the test is administered by a teacher, school administrator, school counselor, or instructional assistant under the supervision of a teacher or school administrator. I understand that these are not tests requiring a licensed school psychologist.

I would like my child, _____,
(Print Child's First & Last Name)

to be evaluated for the Elementary High Ability Self-Contained ALPHA Program.

Current School: _____ Grade: _____ Student's Date of Birth: _____
(MM/DD/YYYY)

Parent/Guardian Name: _____ Phone Number: _____

Address: _____

Email(s): _____

If your child meets the testing standards that indicate an educational need for the placement in the ALPHA program, enrollment will be for the next school year. **Students who do not enroll must re-apply and re-test for future consideration.**

(Please check and sign below to authorize testing)

I would like my child to be tested for the Self-Contained Elementary High Ability ALPHA program or middle school ALPHA program.
